

**Board of Directors Meeting  
Following the Regular Lions Club  
Meeting of Tues. June 11, 2019**

Lion Chuck reported that he cannot find anyone to volunteer to tackle redoing the front shrub beds. He motioned that we seek bids from three outside companies to tear it down, perhaps add weed barrier and rocks, and remove the wooden ties. He would secure the bids. Motion seconded by Lion Paul, and passed.

Lion Chuck also mentioned that Lion Paul has resigned from scheduling workers for the concession stand and someone else needs to take over that job.
